

Have your child color the coat and attach a photo to the opening at the top of the coat. Bring this into any Klinke Cleaners and we will proudly display the coat during our Koats for Kids Campaign.

Also, please write your child's name, age and school on the back of the coat and indicate if Channel 3 can display it during their newscast. Your child might just end up on TV!

Please note: we will not be able to return the photos after Koats for Kids is complete. Please do not use irreplaceable photos.
